

Welcome!

to University Lutheran Church! We are glad you're here today.

University Lutheran is a unique ministry—a congregation of the Evangelical Lutheran Church in America whose ministry is focused on two campuses: UW-Eau Claire and Chippewa Valley Technical College. We live our lives of worship, service, learning, and fellowship together with students, faculty, and staff of these institutions.

In the summer, we gather as a community for worship on Sundays at 10 am. On Wednesdays we have a 6:30pm bible study. When we worship, we celebrate **Holy Communion**, believing that Christ himself is truly present in this meal, and we come to the table at *his* invitation. You are invited to receive God's gifts of forgiveness and eternal life which are promised in the communion meal. Please come forward to receive the elements: bread will be given to you, followed by a tray with gluten free bread, wine for intinction, and individual cups of grape juice, or a common cup of wine. If you prefer to receive a blessing, please fold your hands as you come forward.

We are committed to creating a richly diverse, inclusive community—thanks for being with us! If you are a visitor, we hope you find this to be a welcoming place, and if you are looking for friends on the journey of life and faith, you're invited to be part of what God is doing in and through us here!

Our Father in heaven, hallowed be your name.
Your kingdom come,
 your will be done on earth as in heaven.
Give us today our daily bread.
Forgive us our sins,
 as we forgive those who sin against us.
Save us from the time of trial
 and deliver us from evil.
For the kingdom, the power and the glory are yours,

University Lutheran Church is a designated *Reconciling in Christ Community*. As a community of the people of God, we are called to minister to all people of our world, knowing that the world is often an unloving place. Our world is a place of alienation and brokenness. Christ calls us to reconciliation and wholeness. We are challenged by the Gospel to be agents of healing within our society.

We affirm with the apostle Paul that in Christ “there is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female” (Galatians 3:28). Christ has made us one. This reconciliation extends to people of all sexual orientations and gender identities.
