

Welcome!

to University Lutheran Church! We are glad you're here today.

University Lutheran is a unique ministry—a congregation of the Evangelical Lutheran Church in America whose ministry is focused on two campuses: UW-Eau Claire and Chippewa Valley Technical College. We live our lives of worship, service, learning, and fellowship together with students, faculty, and staff of these institutions.

We gather as a community twice a week for **worship**, Sundays at 10 am and Wednesdays at 6:00 pm (while classes are in session). When we worship, we celebrate **Holy Communion**, believing that Christ himself is truly present in this meal, and we come to the table at *his* invitation. You are invited to receive God's gifts of forgiveness and eternal life which are promised in the communion meal. Please come forward to receive the elements: bread will be given to you, followed by a tray with gluten free bread, wine for intinction, and individual cups of grape juice, or a common cup of wine. If you prefer to receive a blessing, please fold your hands as you come forward.

We are committed to creating a richly diverse, inclusive community—thanks for being with us! If you are a visitor, we hope you find this to be a welcoming place, and if you are looking for friends on the journey of life and faith, you're invited to be part of what God is doing in and through us here!
